REGISTERED PERFORMANCE WARRANTY

Lifetime-Limited Warranty - 75 Year Transferable

Because expert care is taken in the manufacturing process to ensure that our products perform to the highest standards, Style Crest®, Inc. (SCI) warrants the performance of its vinyl siding, soffits and accessories (Products) to the Original Owner(s), against defects in material and workmanship for as long as the Original Owner(s) are living and are the owners of the property to which the Products were applied (the "Property").

In the event that there is more than one Original Owner(s), this limited warranty will remain in effect as long as any one of the Original Owner(s) is living and owns an interest in the Property.

If the Products fail to be free from defects in material and workmanship during the warranty period, SCI will, upon notification in accordance with the claims procedure listed in this document and upon validation by SCI of the defects by inspection, either repair, replace or refinish, at its option, the defective Products, without charge to the Original Owner(s).

This limited warranty may be transferred to subsequent homeowner(s). The new homeowner(s) may receive limited warranty coverage for a period of 75 years from the date of the original installation provided that they supply written notice to SCI within 30 days after the transfer of ownership. Failure to notify SCI of the transfer shall relieve SCI of any further obligation. Please review the Warranty Transfer Section of this limited warranty for further details.

In the event the Property is owned other than by an individual(s), including, without limitation, a corporation, unincorporated association, school, church, government or public entity, the warranty period shall be 50 years (non-prorated) from the original date of installation.

Hail Damage

This SCI limited warranty extends, during the warranty period, to damage caused by hail; provided, the remedy for hail damage is limited to the replacement of siding for the portion damaged, provided such damage is not covered by the Home Owner's insurance policy or other insurance coverage. The owner(s) will be responsible for the cost of any labor and/or installation fee required to replace the hail damaged materials and freight costs associated with the delivery of the replacement product.

Limitations on Warranty Coverage

This limited warranty provided herein is subject to the following terms & conditions:

Coverage Exclusions and Limitations

This limited warranty does not cover damage of any kind resulting from improper installation of siding or accessories, accidental damage, settlement of the substrate structure (such as distortion, warping, or cracking), structural shrinkage, alteration of the structure, fire, flood, lightning, ice, hurricane, tornado, windstorm, earthquake, or other acts of God, vandalism, harmful chemicals, fumes or vapors, misuse, abuse, normal weathering* or wear and tear, mildew accumulation, any owner(s) failure to provide reasonable and necessary maintenance of the Products** and damage from foreign objects (other than hail), or other causes beyond the control of SCI. This limited warranty shall not apply to products that have been painted or the surface altered in any way not authorized in writing by SCI.

* Normal weathering is defined as exposure to ultraviolet light and extremes of weather (including atmospheric pollution and acid rain) which will cause any colored surface to fade, darken, chalk, or acquire dirt or stains.

** SCI Vinyl Siding can be easily maintained by using a soft brush and a mild detergent. Wash and rinse well whenever a build up or dirt or chalk occurs. When the structure is very dirty, it is recommended that you begin washing from the bottom and move to the top to reduce streaking.

Cleaning

A list is enclosed of commonly accepted cleaners. Be sure to spot check any general or stain specific cleaner before using it on a large section of siding. After removing the stain, rinse thoroughly with water. Do not use cleaners containing organic solvents, undiluted chlorine bleach, liquid grease remover, nail polish remover, or furniture polish or cleaners. They can affect the surface of the siding.

To avoid potential staining from insecticides or herbicides, consult the product labels and/or the insecticide or herbicide manufacturer before applying

SCI's obligation under this limited warranty shall in no event exceed the original purchase price of the installed Products.

If the Products covered cannot be repaired, replaced or refinished, after a reasonable number of attempts at such repairs, replacements or refinishing, SCI shall provide a refund of the (original) purchase price. SCI is providing the Original Owner(s) an express lifetime limited warranty under the provisions of the Magnuson-Moss Federal Warranty Act. SCI cannot and shall not be liable for a breach of any other written or oral express warranties, without limitation, those given by dealers, contractors, applicators, or distributors of the Products.

Any Implied Warranties Imposed By Law, Such As The Implied Warranties Of Merchantability And Fitness For A Particular Purpose, Are Limited In Time To The Duration Of This Express Warranty. SCI Shall Not Be Liable For Any Consequential Damages Or Incidental Damages for breach of any express, written, oral or implied warranty on the Products. The Owner(s) EXCLUSIVE REMEDY shall be for repair, replacement, or refinishing solely at SCI's option, only in terms stated in this limited warranty.

SOME STATES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES AND SOME STATES DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS SO THE ABOVE LIMITATION MAY NOT APPLY TO YOU.

This limited warranty gives you specific legal rights. You may also have other rights which vary from state to state. This warranty covers only genuine SCI Products.

SCI reserves the right to discontinue or make changes in any of its vinyl siding, soffits and accessories. If the Products covered by this warranty are not available, SCI shall have the right to substitute a product, that in SCI's sole discretion, is of equal quality.

This limited warranty stands in lieu of all other oral or written warranties. No representative of SCI or its distributors or dealers is authorized to make any changes or modifications to this limited warranty.

Registration of the Limited Warranty

This limited warranty is valid only after the Warranty Registration Card is completed and signed by the Original Owner(s) and received by SCI within 30 days of the original sale of the home.

Claims Procedure

To obtain performance under this limited warranty, the Owner(s) shall notify SCI, in writing, of any manufacturing defects (or hail damage) within the warranty period and within a reasonable period of time after discovering the defect. Please include your name, address and date of installation.

All inquiries should be addressed to:

Claims cannot be pursued if this limited warranty has not been registered with SCI.

Warranty Transfer

This limited warranty is transferable by the Original Owner(s) to subsequent owner(s) of the Property provided SCI receives a written notice of transfer of the Property within (30) days after the date of transfer of ownership. This limited warranty will be transferred as a 75-year non-prorated limited warranty from the original date the home was purchased. Failure to notify SCI of the transfer shall relieve SCI of any further obligations stated in this limited warranty. An Application For Transfer of Warranty is attached.
