Five-Year Parts and Transportation

Lifetime on Heat Exchanger

Style Crest, Inc., an Ohio corporation, hereby warrants the Revolv gas condensing warm air furnace to be free from defects in material and workmanship. The warranty is extended to the original owner(s) whose name(s) appear on this certificate and a copy of this Warranty Certificate returned to Style Crest, Inc.

1ST-5TH YEAR: During the first 60 months after installation, all parts of the furnace are warranted with the exception of air filters. The owner may arrange with the original installing contractor or any other contractor of his choice to replace the defective part. Any labor costs involved in the removal of the defective part and replacement of the new part are the responsibility of the owner. Warranted replacement parts will be shipped with instructions to the contractor on disposition of the defective part. Beyond the fifth year, any transportation costs associated with the replacement of warranted parts are the responsibility of the owner. Beyond the fifth year, no other parts are covered except the furnace primary and secondary heat exchangers. The 5-year parts warranty is extended to the original owner only.

BEYOND THE 5TH YEAR: The primary and secondary heat exchangers carry a Limited Lifetime Warranty. If at any time during the warranty period the primary or secondary heat exchanger becomes defective, Style Crest, Inc. will provide at its option either a replacement heat exchanger or the necessary repair parts on a no charge basis. Any labor costs involved in the diagnosis, repair or the removal and replacement of a heat exchanger are the responsibility of the owner. The owner may arrange with any qualified HVAC contractor for the necessary labor. Beyond the fifth year, any transportation costs associated with the replacement of the complete heat exchanger or the repair parts are the responsibility of the owner. If Style Crest, Inc. requests the return of the defective heat exchanger after the fifth year, it must be returned by prepaid transportation at the expense of the owner.
